This issue of the APPEAL com-

prises six pages. THE triennial elections throughout France I are been fixed for the 7th of November.

" If the gentlemen who report this bill will put in a section, that all who participated in the rebellion " shall be YOREVER excluded from the right of dective franchise, then I will say the proposition "will be just, and one we can stand upon as a matter of principle. Anything is just which excludes from privilege and power ALL those info ^a mous men who participated in rebellion."—[Gar-ⁱⁱ field's speech on Reconstruction.

ting men claim that although offering these odds they find it difficult to get bets, and that the Republican politicians and betters are shy accepting the odds.

BERLIN, October 5.—The Progressists are doing their utmost to strengthen the party all over the country. The new laws respecting workingmen will strengthen their

RAILROAD growth in Europe is thus indexed by the London Railway News, giving the respective lengths of miles in English miles:

1840, 1850, 1850, 1870, 1880, 1870, 1880, 1870, 1870, 1870, 1871, 1872, 1873, 1874, 1875

The comparison of growth between Europe

Jefferson means a connection with the enchain of Texas railroads, and upon us of perfect conality with St. Louis to Jefferson means a connection with the enrms of perfect equality with St. Louis. There are the arteries of the Texas railway system—the International, and Texas and Pacific—and forming a union with them, no rival can deprive the Memphis road of its vantage ground. Taking the whole line to owiew nearly a hundred miles will be gained over the existing line of travel. The International reaches Houston and Galveston, Austin and San Antonio, and is rapidly pushing its way to the Rio Grande, where it will cross and enter Mexico. The Texas and the control of the control of the new pushing its way to the Rio Grande, where it will cross and enter Mexico. The Texas and the control of the new pushing its way to the Rio Grande, where it will cross and enter Mexico. The Texas and the control of the new pushing its way to the Rio Grande, where it will cross and enter Mexico. rained over the existing line of travel. The Pacific commands an immense territory, and taxes and duties is estimated at 6,500,000 is rapidly making its way to El Paso. South florins, and the remaining deficit will be covof Marshall, on the Texas and Pacific line, lies an extended territory over 100 miles wide, extending to the gulf. Before two

and when horses are otherwise healthy and eat well they are easily cured in from two to five days. In treating the disease of 1872 the surgeons gave stimulants, but now there is more fever and the throat is more affected, that the horses feed well and are able to might be stopped. from the disease results from neglecting to treat it promptly when it manifests a tendency to develop into pneumonia. In some cases the blood of the animal turns to water, and the disease results from neglecting to treat it promptly when it manifests a tendency to develop into pneumonia. In some cases the blood of the animal turns to water, and the disease results from neglecting to the promptly when it manifests a tendency to develop into pneumonia. In some cases the blood of the animal turns to water, and the disease results from neglecting to the disease work. The only danger to be apprehended dency to develop into pneumonia. In some cases the blood of the animal turns to water, and the disease must then be treated like a case of blood poisoning. The horses belonging to Mr. Peter Lorillard, Ex-Judge Dillon, Mrs. A. T. Stewart, Mr. Robert Bonner in New 'York city and other prominent persons, are suffering from the malady, but are not in real danger. Mr. Lorillard has given directions to his trainer to "scratch" all of his horses entered in races if they have the epizootic. The horses of all the street car companies in both cities are suffering severely, but so far without detriment to the business or travel on the roads.

The London Times in a well considered

all eight days from dyspepsia, gout supervening. [Jacques Offenbach was born at Cologne June 21, 1819. After completing his musical studies at the Paris conservatoire he was engaged as leader of the orchestra at the Theater Francais in 1847 and became known of by setting to music several of La Fontaine's fables. He also obtained a reputation as a violoncellist. In 1855 he obtained the license of the new theater Les Bouffes Parisiens, where he formed a company whose performances have since been witnessed in England and Germany. M. Offenbach was decorated with the legion of honor in 1861. Among his very numerous boufoneries musicales the best known are La Belle Helene, Orphec aux Enfers, Barbe Blen, La Grande Duchesse, La Grende Duchesse,

THE London Times in a well considered and exhaustive article on the decline of wooden sailing ships and the increase of iron steamships, shows that the substitution is something very remarkable. Confining itself to the English trade it and trade its and self to the English trade it reflects the proof the United Wingdom (excluding vessels the east.

very large decline in the tonnage of sailing ships added yearly to the registers, in contrast with an almost continual and very considerable forcease in the tonnage of steam.

London, October 5.—Frederick Wilkinson, a yarn-spinner at Heywood, has failed; liabilities \$350,000.

The Mack Lane Express says: "During the government. siderable increase in the tomage of steam-ships added yearly as exhibited in the second column. Comparing 1875 with last year, we observe that while the addition of sailing tomage has fallen nearly to one-fourth, the addition of steam tomage has a year-ships. This and the disappointing nature of the yield have made holders confidently the addition of steam tomage has a year-spinner at Heywood, has failed; habitation in the part of the government.

Veiled Prophets at St. Louis.

*St. Louis, October 5.—The fantastic part of St. Louis in the week took place to-night in the shape of the third annual parade of the vieled prophets. The pageant consisted of the vieled prophets at St. Louis.

Special to the Appeal.] Nashville, October 5,—The Commercial's Huntington special says: Wright & Hafris spoke here to one thousand people, and ere the sun had set what few Democrats in this On conditions already rejected."

A public meeting of the inhabitants of Westminster was held here last night, at which resolutions were passed not without opposition, protesting against England's action in the east. No influential persons were present.

A dispatch from Baosisch says: "Admiral Seymour has returned from Cattaro. The Turkish frigate and yacht continued the landing of arms and provisions along the coast."

A dispatch from Cettinje reports that two battalions of Nizams have arrived to reinforce the service of the sun had set what few Democrats in this county heretofore in favor of Wilson were shouting for Wright. As this is the home of Hawkins and the Gibraltar of Radicalism his party gave him a grand reception.

A Garfield and Hawkins was met by two hundred white men and negroes a few miles out of town and entered with a brass band and yells for their radical candidate. The hundreds of Democrats assembled on the square fairly discounted them, and with shouts for their gallant Wright paraded around the square and through the principal streets, halting in front of Hawkins' residence, when he proceeded to tell them in his when he proceeded to tell them in his usually extravagant style, that he would sweep the State from et d to end. The debate was one of the ablest of the campaign, and the Republicans have never yet received such

> odiousness to the gaze of the spectators. This has been a victory for Wright and the true Democracy, and its effect will be felt on election-day. Only one man was heard to halloo for Wilson, and that man was a Re-The State Board of Health. pecial to the Appeal.] NASHVILLE, TENN., October 5,-The State

the appointment as chemist to the board without expense. The same order of quarantine passed at the July meeting was rescinded. Bills for advertising official orders were allowed to the Memphis press.

A communication was received from Dr.S. S. Herrick, secretary of the State board of health of Louisiana asking that delegates be health of Louisiana, asking that delegates be appointed to take part in the conference on the subject of quarantine during the ap-proaching session of the AMERICAN HEALTH ASSOCIATION.

The secretary was instructed to notify them At the suggestion of Secretary Clark the suggestion of publishing a monthly bulletin was considered, and it was agreed that the system should be commenced at an early a day as possible.

Dr. B. G. Thornton, of Memphis, chairman of the committee on suddenies and other dis-

of the committee on epidemics and other di-seases, and Dr. William Clark, of Nashville, were instructed to formulate a plan for car-rying on the work. Adjourned.

President Atchison received a telegram

from Dr. T. L. Archer, at New Orleans, announcing a death from yellow few rlast night at New Orleans. President Atchison says he entertains no fear of the disease, as the season is now so far advanced that frost would interpose before the fever could reach the borders of Tennessee.

Great Preparations to Receive Wright.

The Georgia Raiders. Washington, October 5.—The following telegram from Atlanta, Georgia, was received by the internal revenue bureau to-day: "The body of armed men who forcibly rescued the property held for violation of the United Statrs revenue laws at Dalton, Friday night, wore black masks and gowns, and their horses were covered with sheets. I have visited Dalton and obtained some evidence. The investigation is progressing favorably." and most powerful restorative in medicine.
